

SPÉCIALISTE DE LA PLASTURGIE PETITE SÉRIE

A black and white photograph of a large industrial factory floor. In the center, there is a large injection molding machine with 'ICANCO' and '88 88' visible on its side. To the left, there are other pieces of machinery and a workbench. To the right, there are several pallets stacked with boxes and bags of material. The ceiling is high with industrial lighting and overhead cranes.
